

Design-Express
Dekorplatten 2010-2012

Lager- und Schnell-Lieferprogramm

thermopal

Design-Express Dekorplatten. Mehr als nur ein Lagerprogramm.

Jede bestellte Dekorplatte aus dem Thermopal-Lagerprogramm ist innerhalb von 48 Stunden* lieferbar. Und das in einer verblüffenden Vielfalt: Wählen Sie aus 91 Dekoren als HPL-Hochdruckschichtstoff und 28 Dekoren als melaminharzbeschichtete Dekorspanplatten inklusive dem farblich abgestimmten Kantenzubehör – alles in topaktueller Optik und selbstverständlich in der langjährig bewährten Qualität, die Sie von allen Thermopal-Produkten erwarten dürfen. Darüber hinaus liefern wir dieses Dekorprogramm in unterschiedlichen Stärken als melaminharzbeschichtete Dekorspanplatte und als HPL-Verbundplatte (Span-Composite) zuverlässig innerhalb von 8 Werktagen an Ihren Leithändler vor Ort*.

Design-Express Dekorplatten

Lagerprogramm lieferbar innerhalb 48 Stunden*

- 91 Dekore als HPL in unterschiedlichen Strukturen
- 28 Dekore als melaminharzbeschichtete Dekorspanplatten in unterschiedlichen Strukturen und Dicken
- Farblich abgestimmte Melamin- und ABS-Kanten in unterschiedlichen Breiten

Bestellprogramm lieferbar innerhalb von 8 Werktagen*

- 91 Dekore als HPL-Verbundplatte sowie
- 91 Dekore als direktbeschichtete Dekorspanplatte, jeweils in unterschiedlichen Strukturen und Dicken

* innerhalb Deutschlands

● Lagerprogramm ● Bestellprogramm ¹ Alle Metallic Dekore in Struktur 01 werden ohne Overlay geliefert und sind somit nicht für den horizontalen Einsatz geeignet.

² Längs verlaufende Stoßfuge bei ca. 1.350 mm (2 Bahnen) ³ Wird mit Schutzfolie geliefert.

Dekore, Strukturen, Trägermaterialien: Mit Thermopal gestalten heißt Vielfalt erleben.
Gerne berät Sie Ihr Thermopal-Fachhändler ganz in Ihrer Nähe:

Grenzenlos gestalten. Mit dem DST-System von Thermopal.

D wie Dekor, S wie Struktur, T wie Trägermaterial. Daraus wird das DST-System von Thermopal: Wir bieten Ihnen die einzigartige Möglichkeit, jedes Dekor mit jeder Struktur und jedem Trägermaterial zu kombinieren. Das Ergebnis ist die absolute Gestaltungsfreiheit für den Innenausbau.

Umfangreiche Informationen zu Dekoren und technische Daten finden Sie unter www.thermopal.com.
